7. Building the Future

The Chairman re-emphasised for the record that he did NOT know about the
right of way issue before the information sheet was published or the open
vote was taken.

i. Summary of the Public Meeting

The Chairman proposed that we needed to communicate the outcomes of
the Public Meeting through the normal routine of a summary poster. The
Secretary agreed to follow this up. This to include the original proposal, the
further information from Bagshaws and the outcome of the vote.

AJ

ii. Way forward

- The Chairman proposed two options. The first to buy the right of way
and the second to ask the Design and Planning Group to submit new
plans via the architect which do not build on the right of way. Peter
Trehitt suggested a third option which was to ask S. Village if they
would be willing to give up the right of way. It was agreed that this

MGP

would be worth a phone call (since the meeting, this phone call has been made and the response is no).

- It was also agreed that at some point there needed to be a clear delineation between the Memorial Hall land and the right of way upto which Hall users could park etc.
- Pauline Laycock emphasised that obviously we needed to ensure any funding secured in the future fulfilled the grant criteria so that there would be no problems in the long term future.
- Sandra Chadfield mentioned a potential funding source. Barclays Bank are running a project at the moment and the Hall project may be eligible for funding. This to be passed onto the funding group.

8. AOB

Travelling Cinema

- This has been followed up by both Paula Lynam and Pauline Laycock. It is possible to hire the equipment and choose from a selection of films. It was agreed to invite Kaye Ogilvy to the next meeting to take us through how we can access this and the costs involved.
- Redecoration. The Vice Chairman shared the quote from Roger Cundy for redecoration of the outside of the Hall. This came to £1600. It was agreed to thank Roger Cundy but to try and put a volunteer group together from The User groups to decorate as the costs at this point in time may not be appropriate. The suggestion was that we try to get local businesses to donate the paint and ask Roger Cundy for some guidance on amounts. Arnold Chadfield offered to investigate the loan of a moving platform to decorate from. It was agreed that this would be something to action at the next meeting when we were clearer about the way forward for the project.
- Val Kirkham suggested that to be clearer about timescales it would be useful for the design and Planning Group to communicate regularly with the Peak Park to ensure planning issues are constantly discussed. This may save time in the long run.
- John Fuller Sessions thanked the Chairman for staying calm at the Public Meeting.
